

2021 Annual Report

Celebrating God's Faithfulness

Restored Family,

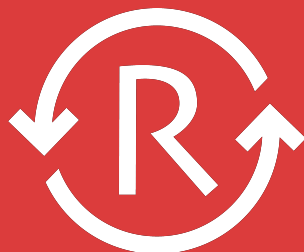

Despite navigating the complex challenges that all churches have faced throughout 2020-2021, we are incredibly grateful and blown away that we have seen **a large wave of momentum**. We are simply trying to catch up to all that God is doing and take full advantage of all the opportunities that he is bringing to us with so many different people.

As we look at all that Jesus has done, our 2021 Annual Report will give you a small glimpse at the tangible, measurable ways that we see God at work in & through Restored. Beyond these **visible examples of God's faithfulness**, there are so many more stories of Jesus reshaping people's hearts on a daily basis as they seek to be all that he's called them to be and do all that he's called them to do.

I believe that this is **the healthiest that Restored has ever been!** All of this would not be possible without your prayers, dedication, investment, and relentless commitment to gospel unity & teamwork. **If God has done this much, this quickly, I can't wait to see what's next!**

We believe that God is sovereignly & strategically working in the lives of every person who walks through our doors on a Sunday morning, so we approach Sundays **expecting God to change lives!**

Since launching in 2013, we've **never** had a Sunday without **new people**
